Benefits of Joining

Membership within the Student Government Association as a senator or as an executive board member creates leadership skills and the opportunity to help other students in need. The association builds strong friendships, and allows students to become more involved in campus life. Being a member of SGA will also strengthen a college or scholarship application, as well as a resume.

Membership Requirements

To be eligible to serve as a SGA representative, a student must comply with the following: Be enrolled with at least 2 (two) credits each semester at UWWC.

STUDENT GOVERNMENT ASSOCIATION

YOUR VOICE
YOUR CAMPUS
YOUR SGA

The University of Wisconsin Washington County

Who Are We and What Do We Do?

The Student Government Association (SGA) is the official organized voice of the student population. SGA actively promotes students' interests, organizes students' activities, and manages funds. The officers work closely with faculty, staff, and students on a wide range of campus-specific and system wide issues. SGA members also act as student representatives on the following campus committees: Academic Actions, Curriculum, Collegium, Fine Arts, Lectures, Search/Appointments and Steering.

Clubs We Support

The Student Government Association works closely with UWWC clubs by funding them. These clubs include: CRU Club, Wildcats for Life, Ping Pong Club, Gaming Club, Health and Wellness Club, Moraine Chorus, Moraine Symphonic Band, Phi Theta Kappa, STEM Club, Soccer Club, Socrates Café, Student Newspaper, Student Veterans of America, Theatre, UFAN Club, and Writers Guild.

"SGA exists to promote student interests, fund student needs, and represent our fellow students to faculty, administration, and the University of Wisconsin."
