GRADE POINT REQUIREMENTS AND ACTIONS

The following actions are determined only at the end of a Fall or Spring Semester. The three factors used to determine the student’s academic standing are:

- The academic standing at the beginning of the semester
- The semester grade point average (GPA)
- The cumulative GPA

When a student is in **good standing** at the beginning of the semester:

- A semester GPA of 1.5 to 1.999 will result in **probation**.
- A semester GPA less than or equal to 1.499 will result in **final probation**.

*(Action on a part-time student will be withheld until at least 6 credits have been attempted in the UW Colleges.)*

When a student is on **probation** at the beginning of the semester:

- A semester GPA of 2.0 or better will result in a return to **good standing**.
- A semester GPA of 2.0 or better but less than a 2.0 cumulative GPA will result in a **continuation on probation**.
- A semester GPA of 1.5 to 1.999 will result in **final probation**.
- A semester GPA of less than 1.5 will result in **suspension**.
- A student admitted to the UW Colleges on probation must earn a 2.0 GPA on a minimum of 15 GPA credits attempted in the UW Colleges in order to attain good standing.

When a student is on **final probation** at the beginning of the semester:

- A semester and cumulative GPA of 2.0 or better will result in a return to **good standing**.
- A semester GPA of 2.0 or better but less than a 2.0 cumulative GPA, will result in a **continuation on final probation**.
- A semester GPA of less than 2.0 will result in a **suspension**.

When a student, who has been **suspended for a semester**, comes back at the end of the semester or at any time before the beginning of the third year after being suspended:

- He or she will be put on **final probation plus one year** (which means if they get suspended again, it will be for one year.)

**NOTICE:** You are REQUIRED to have an appointment with an advisor in the Academic Success Center PRIOR TO REGISTRATION. A hold will be placed on your record until you have met with an advisor. The purpose of the appointment will be to discuss your probation status, determine how you can return to good academic standing, and answer any questions you may have regarding future academic planning.
