Congratulations on completing the UW-Washington County Placement Tests!

**Here are your Next Steps:**

- **Set up your PRISM User ID and Password.**

  Write the information on the attached card and bring it with you to your Advising/Registration Session. PRISM is your access to registering for classes! It is very important that you set up your User ID and Password prior to attending your Advising/Registration session. From our home page (http://washington.uwc.edu/), click on the PRISM link at the top of the page. Follow the instructions for ‘FIRST TIME USER’ (see attached screen shots). If you are unable to complete this task, please contact the Student Affairs Office at 262/335-5201 for assistance.

- **Review the Course Catalog Online.**

  Go to http://washington.uwc.edu/academics/courses (see attached screen shots).

- **Put together a tentative schedule.**

  A worksheet is attached.

- **Register for Advising/Registration and Orientation Sessions.**

  You can register online through the link you received in an email from UW-WC Enrollment Services. If you are unsure whether you have registered for these sessions, please call the Student Affairs Office at 262/335-5201.

  *Why should I go to Advising/Registration and Orientation?*
  
  You will get your Placement Test results.
  
  You will learn how to use PRISM and create your course schedule.
  
  You will get guidance from academic advisors on how to choose your classes.
  
  You will leave with a completed schedule.
  
  You will learn about important dates, procedures, and campus resources.
  
  You will meet UW-WC faculty and staff.
  
  You will get information on how to obtain your books from the campus bookstore.
  
  You will get your parking permit and Student ID.
  
  *We are looking forward to seeing you on campus!*
